**FOR IMMEDIATE RELEASE**

## **VERSAILLES WOMAN INDICTED FOR POSSESSION, INTENT TO DISTRIBUTE METH**

**JEFFERSON CITY, Mo.** – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a former Versailles, Mo., woman was indicted by a federal grand jury today for possession with intent to distribute methamphetamine.

**Dana Lynne Moore**, 45, of Fontana, Calif., and formerly of Versailles, was charged in an indictment returned by a federal grand jury in Jefferson City.

The federal indictment alleges that **Moore** was in possession with intent to distribute a detectable amount of methamphetamine on Jan. 26, 2004, in Morgan County, Mo.

This case is being prosecuted by Special Assistant U.S. Attorney C. Douglas Shull. It was investigated by the Morgan County, Mo., Sheriff's Department, the U.S. Postal Inspection Service and the Drug Enforcement Administration.

Graves cautioned that the charge contained in this indictment is simply an accusation and not evidence of guilt. Evidence supporting the charge must be presented to a federal trial jury, whose duty is to determine guilt or innocence.
